Don't wanta go to Harvard, I won't make Yale
 My Daddy don't even make forty grand a year
 The rich get more educated but, hey, that's alright
 They gotta join the machine and I gotta stay outside
 'Cause life's for livin' and I got things to do
 Oh baby I just wanta major in you

A
 Everything gets more complicated
 G#m
 What's a man to do
 F#m E E7
 Except stay here and make love with you
 A
 So much information
 G#m
 Still I must confess
 C#m B
 Everyday, I seem to know less and less and less

D E L I R I O U S
 E B A C#m B
 D E L I R I O U S
 I just want to stay here & get delirious with you

Don't wanta join Morgan Stanley, whoever he may be
 And Goldman Sachs is absolutely not for me
 I'll just read a book and bide my time
 And watch you all get heart attacks as you pass me by
 They don't call it a rat race for nothin', my friend
 I just wanta enjoy the beginning without rushin' to the end

Delirious
