I GOT LAID ON JAMES JOYCE'S GRAVE

I got laid on James Joyce's grave  
I was hopin' his genius would rub off on me  
But all I got was a kick in the head

From the caretaker who discovered me  
F7

The Swiss lady jumped up in alarm  
C7

She got her clothes on instantly

I got laid on James Joyce's grave  
F7

I've never been the same

Lord have mercy on me

I was drinkin' shots in a bar in Dublin  
When a notion it came over me  
To see where James had hit the dust  
So I looped a train to Zurich  
The customs man held out his hand  
And inquired what's my business  
I wanta get laid on James Joyce's grave  
And I wanta do it instantly

But things went wrong in Zurich town  
The citizens didn't look kindly  
On a red headed Paddy solicitin' ladies  
To an orgy in a cemetery  
I tried to explain it was all for art  
But them swiss cops didn't have no heart  
I got laid on James Joyce's grave  
I've never been the same  
Lord have mercy on me
