Line 1
E F F#

We know all about you, Rosie McGee
Tryin' to stop our brothers marchin' in Drumcree
Don't know you're place, just another Fenian
So don't give me no lectures 'bout the fire of freedom
Look at Robbie Hamill, you know what the price is
Billy Wright took a bullet from a bloody papist
Red Hand got your number, look out you hear me
Stay out of Portadown, oh yeah, Rosemary

CHORUS

Intro

Funky guitar

Funky Horns over the guitar instrumental

Scars on your face, fire in your eyes
Get out of Lurgan - hear those choppers in the sky
Goin' to America, such a no-brainer
Testifyin' to the yanks won't make you any safer
Watch your step, Rosie, voice of the voiceless
Remember Pat Finnucane - thought he was Jesus
Time is tight, look out you hear me
Don't put your foot on that brake, bye, bye, Rosemary

Repeat Chorus with last line repeated three times.
