SHAKIN' IN THE WIND

*verse*  
Em G  
From the first time I met you  
Em D  
You always tried to put me down  
C D Em  
So subtle - just like clownin' around  
G Em D  
A smile, a hug, that brush of your lips across my cheek  
C D  
Hey, wasn't there some guy, Iscariout  
Em E  
Who strolled down that same street

*chorus*  
A E F#m D  
Oh, oh, oh, Out of my way, I don't want to know  
A E A  
Over and over I go over the same scenario  
F#m C#m E  
I'm someone, out there searchin' for a win  
D E Em  
Not just another loser shakin' in the wind

Over and over I go over the same scenario  
Are you another someone out there searchin' for a dream  
Or just another loser shakin' in the wind

*verse*  
You never seem to notice me  
When other friends are on your mind  
Second class citizen, at least half of the time  
A nod, a word that antiseptic smile sealing your lips  
Hey wasn't there some guy Napoleon  
Who got off on your same trip
