**GO HOME PADDY**

TIME: :32

Mo chreach ghéarchúiseach  
Ná rabhas ar do chúlaibh  
nuair lámhadh an púdar,  
go ngeobhainn é im chom dheas  
nó i mbinn mo ghúna,  
is go léigfinn cead siúil leat  
a mharcaigh na súl nglas  
ós tú b'fhearr léigean chucu

*My biting bitter loss  
I was not at your back  
When the powder was fired  
So my fine waist could save you  
or the hem of my dress  
'til I let you go free  
my slate-eyed writer  
well-able for them all.*
