Thank You!

This is just a quick note to say a big thank you to the many generous fans that have dug deep and gotten the Pledge Music fundraising campaign to 23% of its goal already after only a few days. Please continue to spread the word and please support it if you can by clicking on the link on the left below and checking out the wide range of exclusives. I've also got some gigs coming up (details on the right below), so I'd love to see you at one of those - I'll be debuting 3 new songs at the National Concert Hall.

There's been some good media coverage of the Pledge Music campaign and the gigs - on the [Blue of the Night](#) show on RTE Lyric FM, on [RTE](#), the [Irish Times](#) and the [Wexford People](#). On Monday May 11th I'll be a guest on the [John Murray Show](#) on RTE Radio 1 between 9 a.m. and 10 a.m. (Dublin time).

I'm up to my eyes, but I'm remaining calm.

Love, Pierce
