MARIA'S WEDDING

A7   C   G
Oh Maria, I'm so sorry I wrecked your wedding

        Em
You've just gotta believe me

    A7   C   G
But just the thought of you takin' your clothes off for that jerk

    D   G   E   B7
Oh, it got me drinkin' and then suddenly I'm staggerin' into church

                                C   G
And I'm dancin' like Baryshnikov all across the high altar

    D   Em
Oh I bet that you're still mortified

        B7
But just think, girl,

    C   G
No one's ever gonna be forgettin'

Oh Maria, I'd get down on my knees girl
You've just gotta believe me
But just the sight of you in your brand new weddin' dress
Oh, it got me crazy and then your father's screamin' and callin' me
"A no good lazy punk
I always knew you were a drunk"
And your mother's havin' her 19th nervous breakdown
But just think girl
Your Ould Wan'll never gonna be forgettin'
The day I wrecked your weddin'.
