 No more messin' with the kid

G  
 Hero came back to Dublin  
 A  
 The only one sober we're all out of our heads  
 D D7  
 Your long hair flyin'  
 D7 G  
 Blue denims drippin with sweat  
 A  
 Volts of lightnin' through your fingers  
 Pride of bein' the best

G  
 What the hell happened, man  
 A  
 Where did the lightnin' go  
 D D7  
 Did it burn right through your fingers  
 D7 G  
 To the cockles of your soul  
 A  
 Leavin' you stranded  
 More than a million miles away from the rest of us
