

THE FAR SIDE OF THE WALL

Intro: (2) E A F# B7 E B7

Verses E A
We've done some things, terrible but true
F#m B7 E
Across the blazing years in letter of fire

 A
Politicians smile, they shake hands for the camera
F#m B7
But some things never change
E B7
No wonder that I'm angry at

Chorus E A
The voices that I hear *chorus friends*
In every sigh and call
F#m B7
Thinking of you holding him
E B7
On the far side of the wall
E
I wish I could reach out
A
Save you from each and every fall
F#m B7
That I know you're going through
E A F#m B7 E B7
On the far side of the wall

Verses Remember August days, an ecstasy of blue
Floating through that seaside town
Bodies burning, me and you
Fast forward to the streets
Orange shades of paranoia
We'd go our separate ways
Couldn't even admit to knowin' you

Bottom line

Verses Think of me now and say a silent prayer
When other hands are touching you
Remember I still care
And in that bleary dawn
A tiny spark of blue
So hold on, my darlin', tonight I'm gonna break on through.....the voices that I hear....
